### Message from UNLWC 2024-25 President, Cheryl Tzrupek

Dear UNLWC Members,

Welcome back to the University of Nebraska Women's Club as we celebrate 130 years of friendship, common bonds, shared interests and our commitment to serving the UNL community. I am particularly proud of the support that we provide through scholarships for our next generation of leaders.

Serving as the President of this vibrant organization is an honor. I am fortunate to have an excellent group of women who have agreed to serve with me on this year's Board of Directors. As you read this newsletter, you'll see just a small portion of all they do.

I moved to Lincoln with my husband four years ago to be closer to my parents in York, Nebraska. Past President Karen Buckley recruited me to join UNLWC and I discovered a wonderful group of new friends. If you're a newer member or a continuing member, please consider the many opportunities to meet people and get involved. A wide variety of Interest Groups are available to explore. More information can be found on pages 5-6.

Our Fall Welcome is still being organized. Please watch your emails for updates. Do consider joining us for a trip to Nebraska City for our Fall Tour in October. I'd also like you to mark your calendar for the Fall Brunch in November. Details of both can be found later in this newsletter.

I look forward to a tremendous 130th anniversary year!

Cheryl Trzupek

Membership is open to any person who is interested in the activities, well-being, and continuance of the University of Nebraska and the UNL Women's Club.

#### Fall Welcome Luncheon

Our annual Fall Welcome Luncheon is in the planning stages. Details will be forthcoming.

This is a members-only event. Members please check your email for an invitation and RSVP as requested.

#### Fall Brunch Wednesday, November 13th

Our November event will be held at The Landing on Faulkner Drive - Williamsburg Room. We will gather at 10:30 a.m. with brunch served at 11:00 a.m. Entertainment will follow.

Additional details and registration information will be sent via email once the event is finalized.

#### Fall Tour Wednesday, October 16th

A special day in Nebraska City has been planned for your enjoyment.

We will visit Arbor Lodge State Historical Park, explore the 52-room Arbor Lodge mansion, and hear a presentation highlighting the women associated with the mansion. Following the tour and presentation, we will be treated to an authentic tea that will be substantial for lunch.

Following the tea, we will travel to the Missouri River Basin Lewis & Clark Interpretative Visitor Center, located just outside Nebraska City, sitting up above the Missouri River on a scenic 79-acre wooded bluff. We will view an introductory movie and a

park ranger will give a presentation about life on the plains at the time of Lewis and Clark's historic expedition.

Please contact any of the three Co-Chairs if you have questions: Julie Albrecht, Cheryl Alberts, or Cathi Haisch.

Watch your email for additional information and a registration form.

## **UNLWC** Fundraising

This year, thanks to a generous donation from Nancy Weller, we are delighted to have a guilt which will be raffled at our spring luncheon. The quilt pattern is Garden Fair by Blackbird Designs. It was pieced by Dorothy Vinson, Nancy's mother. The quilt is 86 inches square, perfect for a queen sized bed.

The design was inspired by the Polk Garden Club of Polk, NE. The women met for many years starting in 1957, and worked to beautify their community through gardens and flowers. This club, like ours, included friendship, support, and working together for larger community goals.

Raffle tickets are \$5 and will be sold at UNLWC meetings and directly from Priscilla Henkelmann. The quilt will be on display several times throughout the year.

The more raffle tickets sold, the more money raised for scholarships and someone will end up with a beautiful quilt! Anyone can buy raffle tickets; the winner does not have to be a UNLWC member or present at the spring luncheon to win. Tickets would make nice gifts for garden and/or quilt lovers and also for supporters of UNL student scholarships.

**Mason Hardin** writes: "It was a blessing to receive your email this morning and I was excited to read about your group. I look forward to attending the luncheon next spring. This was wonderful news to hear during a lengthy medical school application process. I am grateful for the opportunities you have provided me with this support."

A "snail mail" thank you: "It's hard to express the amount of gratitude I have for being chosen for your scholarship. As I head into my senior year at UNL, my big goal is to set myself up so that I can run my business, InfoFilm, full-time after

graduating in May. With InfoFilm, I share the stories behind agriculture producer operations through videography. With your investment, I am able to soak up all the opportunities UNL has to offer to help propel me toward this goal. Thank you so much! I hope you all realize how much this is impacting me! With gratitude, **Madison Kreifels**

If you have a new idea or are willing to help organize a new group, such as wine tasting, bunco, or some other new group, contact Penny McCord.

We look forward to seeing you at Holmes Lake!

# Every Husker deserves to eat and feel secure.

Nearly 1 in 3 Husker students worries about not having enough food until they get money to buy more. The Husker Pantry helps address students' food insecurities in a friendly and welcoming space.
